› ULTIMATE SIGNS
SIGNAGE

EXPOSE YOUR BRAND

We makes different kinds of signs that best fits every kind of business. We offer quality designs, productions, and materials which will make your signage excel among others.

› LED Sign › Acrylic Sign › Light Box
› Flex Face Sign › Steel Sign › Push Through Sign

› BARNDING
RETAIL STORES & SUPERMARKETS

CATCH YOU EYE . . .

We Creating a strong retail store branding involves establishing a unique identity that sets your store apart from competitors and resonates with your target audience›s that a successful retail store branding strategy should be authentic, consistent, and aligned with your target audience›s values and preferences. Regularly assess and adapt our branding efforts to stay relevant in a dynamic market.

› CUTTING
2D / 3D BRANDING

SOFT CUTTING & CNC Laser Cutting

2D/ 3D BRANDING has opened up new horizons in the area of designing. Through cutting edge technologies, we develop the brand identity and the Quality output is what makes a design stand out from the rest. We can get improved version of our company›s logo. It will be showed in a totally different angle. We will get a feel of depth, material feeling (metal, gold, plastic, glass). You will see light playing on the logo surface. Flatbed cutting plotter, with its high precision, robust mechanicse, is the answer for all applications in offset/digital printing industries, display and packaging. Its the ideal solution for short/medium runs of die cutting, prototyping, furnishings creation, textile/cardboard patterns cut and much more . . .

› KEEP MOVING. . .
VEHICLE BRANDING

Vehicle branding is a great and cost-effective way to create a huge impact on thousands of your potential customers every day. For this reason, when we design graphics for vehicles, we don't just aim to improve the look of a car, a van or a truck. We strive to use that vehicle as a media channel that can send a clear message to a specific target audience.

Full Vehicle Wrap A vinyl wrap covers your vehicle completely in a special material. The wrap material is manufactured to allow it to bend and shape to the curves and contours of the vehicle and it has a super strong adhesive that that comes with warranty.

Half Vehicle Wrap / Vehicle Graphics A half wrap is different from a full wrap in that, as the name suggests, it covers only half the vehicle.

› FAST, TRANSPARENT & EFFICIENT EXECUTION

we understand that time is critical when it comes to printing, branding, and fabrication projects. That's why we have a well-defined system to ensure speed, accuracy, and seamless communication throughout the process.

- Project Management Oversight – Our experienced project managers oversee every aspect, ensuring smooth coordination, timely execution, and quality control.
- Administrative Assistance – A dedicated support team handles documentation, reporting, and communication to maintain transparency and efficiency.
- Structured Reporting – Clients receive regular progress updates, ensuring complete visibility at every stage of the project.
- Efficient Tracking & Monitoring – With real-time tracking systems, we proactively monitor timelines, workflows, and deliverables.
- Escalation & Resolution – Our structured escalation process ensures quick resolution of any challenges, minimizing disruptions.
- Efficient Workflow – With a dedicated project management team, we eliminate bottlenecks to keep projects on track.
- On-Demand Printing & Branding – We offer flexible solutions to accommodate urgent requests without compromising quality.
- Real-Time Project Updates – Clients receive regular progress reports to stay informed at every stage.
- Tracking System – Our internal tracking tools monitor project status, ensuring timely execution and delivery.
- Transparent Communication – We maintain open communication channels, keeping clients updated on milestones, revisions, and approvals.
- Proactive Issue Resolution – If any challenge arises, our escalation system ensures that it is addressed promptly at the right level.
- Dedicated Support Team – Our client servicing team is always available to resolve concerns quickly and efficiently.
- Priority Handling – Urgent matters are escalated to senior management for immediate action, ensuring minimal delays.
- Our structured approach, we guarantee fast execution, transparent tracking, and reliable support delivering your projects on time, every time!

› FLAGS & FABRIC PRINTING

YOUR BRAND TO INK ON FABRIC.

Our flags can be produced to any design that you require. We can print flags in house to your needs. We offer a fantastic range of custom printed flags perfect for exhibition displays, events, and displays. Easy to use and transport, our flags are provided with a carry case as standard with a range of base options depending on where you›ll be using them.

› UV LARGE FORMAT PRINTING

NEW VALUE IN LARGE FORMAT

UV Printing is a unique method of digital printing utilising ultraviolet (UV) light to dry or cure ink. The ink cannot be absorbed by the materials or distorted before it dries, UV printing can be used comfortably on a wide range of substrates: Fabric, Canvas, Glass, Wood, Plastic, Coated Media, Polystyrene, PVC, Acrylic, Promotional Clothing, Wood and Aluminium and more. Quality, clear images are achieved at all times and the images are long lasting since the UV ink is more resistant to agents of corrosion.

The New Value in Large Format UV Printing and Excellent Ratio between Quality & Productivity.
We are able to Provide the Highest Print Quality on a Variety of Hard Surface Material and Colored Media.

DIGITAL PRINTING

› THE WAY TO GO

Digital Offset Printing is considered as the most cost effective and high quality printing format of all time. Digital Offset printing can be used when Perfect Color Matching is required and tis ideal when you want to print fewer copies, say a few hundreds. Digital Printing is the quickest way to get something printed. So if you are looking for fewer print copies and quick turn-around, go for Digital Printing. Our Print unit has high speed and high quality machinery to churn out any print job. Our digital print production facility has Ultimate automation and more productivity to help you meet the highest production demands . . .

PROMOTIONAL DISPLAY, GIFT & CORPORATE

› DIGITAL IS THE WAY TO GO

We provide comprehensive solutions for all branding all kinds of brand activation materials. Increased sales will surely be achieved through an effective in displays. Brand awareness is achieved because of this, giving a competitive advantage in the store over all competitors.

WE HAVE A PASSION

IN CREATING UNIQUE SPACES

Our goal is to provide designs that elevate the spirit and create value for our clients and the community. We are problem solvers, and most importantly, skilled listeners. We are constantly adding new ideas and new lines of products with extra features, We strive to incorporate the best in energy & money saving techniques and materials into our projects. The distribution and digital printing has provided planning and architectural services throughout the years. Standards are crucial, and we conduct rigorous checks to ensure that each and every campaign is executed to the very highest criteria.

TESTIMONIALS

Dear Neighborhood team,

I wanted to start your week with a huge THANK YOU! For all the work you do for us as the last minute!
Your efforts at Taste of Dubai this weekend were really appreciated and made a huge difference.
You often jump in at the last minute with our jobs and we really appreciate it.
Thanks from all the EE team!

Kind regards,
Clare
